

ERNTE

PRODUCT LINE · 2026

From South American farms to the European market

Ernte Investition GmbH is the commercial bridge between certified producing partners in South America and buyers across Europe — sales representation, EU compliance and monitored logistics, from farm to warehouse.

Many producers, one container, one invoice, one contract.

Certified organic operator

Ecocert · DE-ÖKO-005
Reg. (EU) 2018/848 · valid until
31/03/2027

TRACES registered

European Commission system for
the Certificate of Inspection (COI)

Warehousing in Germany

GREIWING logistics for you GmbH
(IFS food-grade) · Naturata Logistik
eG — registered organic
warehouse (EU-Bio · EMAS ·
Demeter)

Products

Coffee

Organic Conventional

Green and specialty coffees from Brazil's producing regions, with sensory profiles that win over European roasters and importers.

Arabica · Specialty · Microlots

Black pepper

Organic Conventional Within Ernte's Ecocert organic scope

Brazilian black pepper, whole and ground, export grade for retail, food service and industry.

Whole · Ground

Chia

Organic Conventional

South American black chia from a certified producing partner: whole seeds (organic and conventional), partially defatted, flour and oil. Purity above 99.9%, gluten-free and non-GMO, meeting EU, NOP, COR and JAS organic standards. Detailed technical sheet available.

Black seeds · Partially defatted · Flour · Oil

Spices & seasonings

Organic Conventional

Brazilian seasonings and spices that add identity and flavour to the European food industry.

Spices · Seasonings

Fruits

Organic

Conventional

Fresh and dried fruits and pulps — the tropical taste European consumers look for all year round.

Fresh · Dried · Pulps

Acerola

Organic

Conventional

Within Ernte's Ecocert organic scope

Brazilian acerola liquid concentrate and powder — natural vitamin C for the food, beverage and supplement industries.

Concentrate · Powder

Ginger

Organic

Conventional

Within Ernte's Ecocert organic scope

Fresh Brazilian ginger for the food, beverage and wellness markets.

Fresh

Oils

Organic

Conventional

Cold-pressed chia oil — one of the richest plant sources of omega-3 (≈58 g/100 ml) —, an olive & chia oil blend, and pepper oil, for the food, cosmetics and nutraceutical industries.

Chia oil · Olive & chia blend · Pepper oil

Superfoods

Organic

Conventional

Cumaru (tonka), baru and Brazil nuts — superfoods from the Cerrado and the Amazon for the food and nutrition industries.

Cumaru (tonka) · Baru · Brazil nuts

Certifications & compliance

Ernte's own organic certification — Ecocert

Certificate no. **DE-ÖKO-005.276-0005915.2026.001** · Ecocert Deutschland GmbH (DE-ÖKO-005) · Activities: import and distribution · Reg. (EU) 2018/848 · valid until 31/03/2027.
Certified organic scope: fresh ginger · pepper · acerola concentrate and powder. Official certificate PDF available at ernte.co/certificados.html.

TRACES registration — European Commission

Ernte is registered in TRACES, the official EU system issuing the Certificate of Inspection (COI) for every organic shipment entering the European Union. Suppliers not yet in TRACES are registered by Ernte.

Warehousing & distribution in Germany

In Europe, Ernte's products are stored and distributed through two specialised German partners: GREIWING logistics for you GmbH — certified food-grade warehouses (IFS Logistics, IFS Food, kosher/halal, GMP+/HACCP, ISO 9001/14001) — and Naturata Logistik eG, Ernte's registered warehouse for organic products, a cooperative dedicated exclusively to organic logistics for over 20 years (EU organic, EMAS, Demeter certified infrastructure). Stock on European soil and organic lot integrity through to delivery.

How to buy from Ernte

1 · Contact

Product, specification, volume and destination.

2 · Sample & sheet

Sample and product sheet — no purchase commitment.

3 · Contract & Incoterms

Clear terms, timelines and responsibilities.
